

Returning an Arizona Brace for adjustment

Returning a brace for an adjustment

If you find that the device doesn't fit your patient correctly, in most cases any adjustments needed will be at no cost to you. Simply return the brace/s with notes indicating what adjustments need to be made and we will get it taken care of for you and your patient.

To return your device for an adjustment, follow these 3 simple steps:

1

Download and complete our [Adjustments & Refurbishment Order Form](#)

Direct link for Adjustment Order Form: arizonaafo.com/forms/docs/AZAFO_Adj-Refurb_Order_Form.pdf

2

Box up the brace or braces that require adjustment. A new cast/3D scan may be needed if there are significant adjustments needed. Check with lab if unsure.

3

Print out a [Complimentary Return Shipping Label](#)
